

If you have rheumatoid arthritis (RA) we want to talk to you!

We are talking to adults with RA from **across Canada** to learn about how patients can use decision aids to make *shared* decisions with doctors about their RA treatment.

You can talk to us in:

a focus group

OR

a one-on-one
interview

Join us over:

phone

OR

video conference

To learn more about the study or to participate, contact Nicole Spencer
by phone (403-210-8105) or email (nicole.spencer@ucalgary.ca).
